Values

We're a Fiji-based building company delivering New Zealand standards and a solutions-driven approach to every project.

From bespoke homes to large-scale commercial builds, we focus on quality, precision, and efficiency at every stage.

Our experienced team thrives on collaboration and is committed to exceeding expectations, no matter the size or complexity of the job.

Through strong local partnerships and international supply networks, we source premium materials at competitive rates, ensuring every build is completed to the highest standard, on time and within budget.

**WE DON'T JUST BUILD,
WE SOLVE, DELIVER,
AND EXCEED.**

Finn Eden
Director & Project Manager

Born and raised in Fiji, Finn pursued his carpentry trade in New Zealand, gaining national recognition and working with some of the country's top builders before taking his craft around the world as a liveaboard carpenter in the superyacht industry.

His experience spans all sectors of construction — residential, commercial, and resort development — bringing a unique blend of traditional craftsmanship and cutting-edge practices. Founding Eden Construction has been a lifelong dream and his mission is to raise the standard of construction in Fiji through efficiency, innovation, and skill development.

Values

BUILT ON TRUST DRIVEN BY INTEGRITY

We believe trust is the foundation of every successful project. We build strong relationships through transparency, accountability, honest pricing, and an unwavering commitment to our clients.

UNMATCHED EFFICIENCY AND SMART EXECUTION

We don't just build structures, we engineer solutions. Through advanced planning, we optimise every detail to deliver projects on time, on budget, and to the highest level of craftsmanship.

GLOBAL STANDARDS UPHELD BY LOCAL STRENGTH

Our approach blends New Zealand training and expertise with local knowledge, delivering a superior quality of construction to Fiji through smart sourcing and high standards.
